Re: Your Public Records Act Request, Which Was Received on August 17, 2026

Dear Board of Directors:

This letter responds to the California Public Records Act request that you sent to Plumas County Clerk of the Board, and Chair Hall, which is referenced above. The request seeks the following records: 1. Whether the Board of Supervisors of its Clerk can confirm how two different versions of a single final report came to be released to the public. 2. Which version the County regards as the official final report for purposes of posting and responses. 3. Whether the County received, in any version submitted to it, any investigation or report concerning Chester Public Utility District.

The Board of Supervisors' Clerk of the Board has identified responsive records, which will be made available for review and duplication.

1. The Clerk of the Board has been unable to locate records responsive to your request.
2. The official Plumas County Grand Jury report for 2024/2025 is available at: https://plumascounty.us/Archive.aspx?AMID=37
3. The Clerk of the Board has been unable to locate records responsive to your request

Best,

, Clerk of the Board of Supervisors.
